ACKNOWLEDGMENT OF RISK RELATING TO CORONAVIRUS/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people. While COVID-19 can cause no symptoms or only mild symptoms in some individuals, it can lead to severe illness and even death in others. Adults over age 65 and people of any age who are immunocompromised or who have serious underlying medical conditions including, but not limited to, chronic lung disease or asthma and other respiratory conditions, heart conditions, obesity, diabetes, chronic kidney disease, or liver disease may be a higher risk for more serious complications from COVID-19.

Copiah Educational Foundation (the “School”) has put in place preventative measures to reduce the spread of COVID-19; however, the School cannot guarantee that your child and/or your family will not become infected with COVID-19 and participation in the School program(s) could increase your family’s risk of contracting COVID-19, particularly given that the nature of school requires close personal contact with the children.

Copiah Educational Foundation

The rules, regulations, policies, procedures and subsequent amendments or revisions, provided in the Copiah Handbook are to be followed by students, parents, guardians, or patrons upon entering an agreement to attend school at Copiah Educational Foundation, also known as Copiah Academy.

All matters cannot be covered in the handbook and decisions regarding such will be at the discretion of the administration. Copiah Educational Foundation, Inc. hereby gives notice that its policy is to admit students of any race to all the rights, privileges, programs, and activities generally accredited or made available to students at the school, and to make no discrimination on the basis of race in administration of educational policies, application for admission, scholarship or loan programs, and athletic and extra-curricular programs.

MISSION STATEMENT

To provide a Christian educational experience in a safe, positive environment, thus enabling all students to achieve their academic potential and pursue a successful future.

OUR BELIEFS

- A Christian atmosphere should be provided for learning.
- Students should be provided with a positive learning experience within a safe, comfortable facility.
- Students should be provided with opportunities for moral, social, spiritual, and cultural growth.
- Teachers should set clear goals with high expectations and present challenges for all students throughout the learning process.
- Every student is an individual, and care should be taken in addressing individual learning styles and needs when possible.
- Self-evaluations of our educational process should be conducted in an effort to ensure current and competitive academic excellence.

PHILOSOPHY

Copiah Educational Foundation consists of a high school, a middle school, and a lower school (dba Copiah Academy) and a long range financial arm known as the Copiah Endowment Corporation, which is a tax-exempt educational trust. Copiah Endowment Corporation's goal is to obtain long range funding, which will positively impact the students and patrons of the school in perpetuity.

Copiah Educational Foundation's goal is to provide a basic core educational curriculum beginning at the kindergarten-elementary level and continuing through all grade levels, with the opportunity for advanced students to obtain a college preparatory education. Copiah Educational Foundation is fully accredited by the Midsouth Association of Independent Schools, the Southern Association of Independent Schools, and the Southern Association of Colleges and Schools. Members of the administration at Copiah Educational Foundation are accredited through the National Association of Secondary School Principals.

Copiah Academy strives to manage its membership to a medium population level to allow small-medium class room size. Each student should be provided with a positive safe atmosphere which will allow the student to reach his maximum educational and personal potential. Copiah Academy places special emphasis upon Christian principles and spiritual development. The school administration feels that it plays an important role in the teachings of the student's American heritage and freedoms that all Americans enjoy. Students should be taught the principles of individual freedom and responsibility, personal accomplishment, community service, and academic excellence.

In order to maintain its desired size and academic standards, Copiah Academy cannot accept all children without regard to academic ability. Copiah Academy evaluates potential students and sets minimum standards for student entrance into the school to maintain a minimum standard for education. Achieving and maintaining college preparation is an extremely important goal of the school. The school recognizes that not all of its students will attend secondary educational institutions, however, Copiah Academy's curriculum and instructional methods are primarily designed to provide students with the academic foundation necessary for the students success in the post high school setting.

In order to accomplish these goals and this philosophy, Copiah Academy encourages parent-patron guidance and participation in the school at all levels. There should exist a mutual bond of respect, cooperation, and understanding, and participation among the patrons, students, administration, and governing body of the school at all times. School administration should keep patrons informed of school functions and activities. Patrons are encouraged to attend meetings and support the school financially and with their individual participation.

The ultimate goal of Copiah Academy is to enable its students to achieve worthy educational, vocational, and personal goals through an effective, comprehensive program of individual and group development.

HISTORY

In 1967, the first Copiah Academy students met in a temporary facility in Hazlehurst. Because of a steadily increasing enrollment, in 1970 students began classes in a million-dollar building on acreage donated by the T. M. Smith family. The first commencement exercises on the Gallman site were held that spring on the concrete floor of the proposed gymnasium. In the ensuing decades, Copiah Academy has expanded into a complex that offers educational and athletic opportunities for students ranging in ages from pre-school to college-preparatory. In 1984 the addition of the Williams building was completed, and in 1994, the Williams building was expanded. In the fall of 1999 the addition of a cafeteria was completed to include a stage, food service and four classrooms. In the summer of 2005 Copiah Academy completed a million dollar renovation to enhance the physical appearance and to update the energy efficiency of our campus. In the spring of 2010, the addition of the math and science building was completed.

In 1970, the leadership duo of Harold G. Morris as head of school and Anne Ella Williams as elementary principal began moving Copiah Academy toward educational standards that would result in accreditation by the prestigious Mississippi Private School Association and Southern Association of Colleges and Schools. In 1983, Joseph P. Walker, who boasted a long affiliation with Hinds County and Jackson Public Schools, began his tenure as Copiah Academy's head of school. In 1989, David W. Bosse came to Copiah Academy from Knoxville, Tennessee and Baton Rouge, Louisiana, where he received extensive training in the independent school system. In 1993, Carol S. Rigby served as assistant head of school and then in 1994, she was named as head of school; Mrs. Rigby had extensive educational background from public schools in Alabama and Florida and Midsouth Association of Independent Schools (MAIS) in Mississippi. In 2014, Paul M. Hayles was named as head of school; Mr. Hayles had over twenty years of experience in the Midsouth Association of Independent Schools. The current head of school is Mitch Mitchell who has experience within both public and private schools in Mississippi.

ADMISSIONS

Copiah Educational Foundation, Inc. is an accredited, coeducation, college-preparatory day school for grades K through 12. Enrollment is open to college-bound students of any race, religion, gender, color, creed or ethnic origin who meet the entrance requirements and strive both in conduct and achievement to maintain satisfactory progress. Students transferring to the school in grades 9-12 are required to have units of credit corresponding to those offered at Copiah Academy. Students must be the appropriate age by September 1 to enter 3K, 4K, 5K, and First Grade. A certified copy of student's birth certificate and immunization compliance form must be on file in the school office before the student may attend classes.

Applicants must first fill out and return the student application form with fee. Applicants then will be contacted to set up an admissions test. Students will be placed according to their admissions test. New students must provide an unofficial transcript before admission. Applicants are accepted on the basis of past school performance, aptitude and achievement tests, adequate attendance, and acceptable conduct consistent with the standards and purposes of this school. Students who have been expelled from other schools may not be admitted.

New students and their family would have a probationary period that may include parent-teacher conferences, academic evaluations, and disciplinary review. Admission to and continued enrollment in Copiah Educational Foundation, Inc. is at the sole discretion of the school. Information on current policies will be made available in the student handbook. School policies are subject to change. Policy changes will be announced by due notification. Applicants agree to abide by all school policies, rules, and regulations, including provisions for dress codes and discipline. Copiah Educational Foundation, Inc. has full discretion in the discipline of students while at the school, including corporal punishment.

FACILITIES

The cafetorium is a combination cafeteria, auditorium with four classrooms and restrooms with shared gymnasium use. Copenh Academy is located on a tract of land which contains approximately 30 acres. The building is of contemporary functional design with beautiful simple lines. In addition to the classroom facilities, special rooms are provided, including science laboratory, library and administrative offices. Classrooms are well-lighted and temperature-controlled.

The high school building contains the high school office, eight classrooms and the Robert P. and Bertie Mae Young science laboratory. The gymnasium contains, in addition to two playing courts for basketball, eight classrooms, a choral music area, and concession area for gym activities. Sitting adjacent to the gymnasium is the band hall with band director's office, storage area, and an auditorium for band practice.

The fieldhouse is located conveniently to the athletic fields. This building contains dressing facilities for the junior high and varsity athletic teams, a team meeting room, first-aid room, storage area, and the coaches' office. Athletic fields contain updated lighting for the football stadium, new in-ground dugouts on the baseball field, and covered batting cages. Adjacent to the field house is the softball facility; the building contains a dressing/locker room for the team, a training room, and a coaches' office. The weight room is located at the south end of the football stadium. This building contains weight equipment used by all athletes to build strength and endurance.

USE OF GROUNDS AND BUILDINGS

Copenh's facilities are for the exclusive use of the patrons, faculty, staff and students. The Head of School must approve the use of the buildings and facilities after normal school hours. At all times, the academic and extracurricular activities of the school have priority use of the school buildings and grounds.

Furthermore, a faculty member or other employee of the school must be present and is responsible for facility use. At no time will students be allowed the use of the building and grounds without appropriate faculty supervision. Use of the campus by outside groups must be approved by the Board or Head of School.

CARE OF SCHOOL PROPERTY

Because maintenance expenses are drastically increased by the misuse of school property, students are expected to maintain all school-owned property. Litter destroys the beauty of the campus, so students are expected to use the proper trash receptacles. Parents will be held financially responsible for any damages resulting from their child's actions.

GYM REGULATIONS

No food or drink will be allowed in the gymnasium except during the home basketball games. Students must remain off the gym court playing area at all times. Walking across the gym floor to classes will not be allowed.

ASBESTOS

On October 30, 1987, The Environmental Protection Agency published the Asbestos-Containing Materials in Schools Rule (40 CFR Part 763 Subpart E). This New Rule requires all public and independent schools to inspect for friable and non-friable asbestos, develop asbestos management plans that address asbestos hazards in school buildings, implement response actions in a timely fashion and report results of the assessment studies to school employees and parent/teacher organizations.

We are pleased to announce that none of our school buildings contain any friable asbestos. Friable asbestos is material that is easily crumbled and may release harmful fibers into the environment. Friable asbestos may cause severe health problems.

One building does, however, contain non-friable asbestos building materials in the form of floor tile and floor tile adhesive. None of this material poses a health hazard as long as it remains undamaged. Through a program of training and surveillance, we are certain that these materials will pose no health hazard.

A copy of the inspection and management plan is available for your examination in the administrative office of the school.

CALENDAR / DAILY SCHEDULES

MASTER CALENDAR

The school's Master Calendar is coordinated by the school secretary. As soon as you begin to plan an event, register the date with the school secretary. No additions will be made to the Master Calendar unless approved by the Head of School. When changes occur, these changes will be updated on the master calendar, and parent alerts will be sent as needed.

VISITORS ON CAMPUS

Visitors are not allowed on campus. Parents and alumni are considered guests and are welcome to visit campus. However, they will be required to check in with the front office. Please do not go to classrooms without permission. Guests will not be allowed to visit classrooms during tests, especially during nine weeks tests or exams.

PHOTOS AND PUBLICITY

At times, Copenh Educational Foundation may use students' names and/or photos for publications, the school website, publicity, and advertising that pertains to the school.

PARENT INVOLVEMENT

Parents are encouraged to become involved in the various parent organizations at Copenh Academy. These organizations are Patrons Club, Band Boosters, and Athletic Boosters. It is the goal of each of these organizations to raise funds to provide extra benefits for the students at Copenh Academy.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are recommended when indicated by effort, attitude, or low achievement. Please allow at least twenty-four hours for teachers to return your call. Parents are requested to call the office to arrange conferences. All conferences concerning students' grades and conduct are best discussed at school during the regular hours when faculty members have access to grade books, test papers, and notes. Please schedule conferences at least twenty-four hours in advance.

PARTY INVITATION POLICY/SENIOR PARTIES

Parties hosted off campus for students in K through 12th grades may not issue invitations on campus unless the entire class, all girls, or all boys are invited. Invitations for off campus parties that include only a partial class roll must be mailed through the postal system or otherwise issued. The mass communication system will not be utilized for sending party information. E-mail addresses will not be shared as well. Parents should be mindful that students are sensitive to exclusion and should make every effort to be discreet when the whole class is not invited. If an entire class is not invited to a party (boys or girls), please avoid picking up party participants at school.

The following policy was adopted by the Copenh Academy Executive Board on 5/12/98.

Copenh Academy does not sponsor, promote, endorse, or schedule any senior parties. Any senior parties are strictly private functions. Copenh Academy is not and will not maintain a calendar of events for the purpose of scheduling any senior parties.

FUNDRAISERS

All fundraisers must be approved by the head of school and placed on the master calendar in the office.

DELIVERIES

Because of the increased number of flower, gift, and candy deliveries, the lack of school personnel to handle them, and the lack of space at the school to store them, the following regulations have been adopted concerning all such deliveries to Copiah Academy.

1. On special occasions such as birthdays, homecoming, etc., deliveries will be allowed only after noon. At this time students will be notified they have a delivery, which they may pick up at the end of the school day.
2. The school will not accept any deliveries associated with Valentine's Day before, on, or after Valentine's Day.

COPIES AND PRINTING

Students who need copies made need to see the office. Copies can ONLY be made from a hard copy or a .pdf file saved on a jump drive. Copies are \$0.25 a page. Students are not to request copies from teachers and staff. Class notes and/or study sheets are not to be copied.

Copies made from cumulative record information will be \$2.00 per page; this includes immunization, birth certificates, unofficial transcripts, etc. Parents or students requesting copies should request the information 24 hours before they need it. In the summer, the request must be made 48 hours in advance. Printing from campus computers will not be allowed.

Students are not allowed to use copy machines.

LUNCH PROGRAM

The cafeteria serves hot lunches, short order, and snack items for lunch. Lunches may also be brought from home. A variety of items are available at break. Our cafeteria runs a debit account for families. Students are issued a PIN for their account. Payment should be added in \$50 increments. Students will be able to see the current balance at the register each time they make a purchase. Parents can view balances online. The system takes approximately 24 hours to update online.

During lunch periods, students must remain in designated cafeteria areas. Food or drinks dropped and spilled will be at the expense of the student. A student will not be allowed to leave the campus for lunch.

Charges will not be allowed for students in 7-12 grades.

FACTS/RENWEB/CANVAS

Parents and students should refer to FACTS/Renweb and Canvas for all grade updates. Access to FACTS will be blocked if financial obligations have not been met. Parents are asked to verify and update demographic information through FACTS/Renweb.

ACADEMICS

As a college-preparatory school, Copiah Academy provides a program of studies for grades K-12 emphasizing academic excellence. The school is arranged in four divisions: kindergarten, elementary, junior high, and high school. The primary goal is to develop honest, alert, intellectually curious, and academically disciplined students. Instruction is traditional in that it demands knowledge of facts, principles, and methods.

Only seniors who qualify may participate in dual enrollment with Hinds or Co-Lin. These qualifications are set by the colleges; the current qualifications are 3.0 academic GPA, minimum ACT composite of 16, English sub score minimum 17, science sub score of 16, and math sub score minimum of 19. These qualifications are subject to change. Tuition and books are the students' responsibility. These fees are paid to the colleges.

If a student elects to move from the regular English track to the Honors track, he must have maintained an average of 88 or above for three terms in English for the year prior to the change to Honors English. In addition, a student moving to the Honors program must have written permission from his current English instructor. Parents should be advised that students making this change will miss course content. For instance, a student moving from English II to Honors English III will miss American literature. A student moving from English III to Composition I will miss English literature.

GRADING

Daily grades, weekly tests, and unit tests comprise 100% of the term grade. The semester exam counts as 20% of the semester average. The yearly grade is determined by averaging the semester grades.

The grading scale beginning with the 2011-2012 school year is as follows:

Letter Grade - Scale - Quality Points

A - 90-100 - 4

B - 80-89 - 3

C - 70-79 - 2

F - Below 70 - 0

For any subject a final grade earned of F (below 70) results in failing that subject for the year.

Grades earned from previous school years will still be calculated on the old grading scale.

Letter Grade - Scale - Quality Points

A - 93-100 - 4

B - 85-92 - 3

C - 77-84 - 2

D - 70-76 - 1

F - Below 70 - 0

For any subject a final grade earned of F (below 70) results in failing that subject for the year.

A student will be retained if two (2) or more core subjects are failed. **The administration will have the option of selecting courses to be completed in summer school if the student fails more than two subjects.** No remedial course taken outside of Copiah Academy may be used in the calculation of the grade point average. Remedial courses may be used only to raise a failing grade to 70. It may be used as a credit for graduation only. GRADES FROM FAILED COURSES ARE INCLUDED IN THE CALCULATION OF THE GPA. Students may not take summer courses for new credits. ONLY courses failed may be taken in Summer School. A maximum of two units may be earned during one summer. Seventh and Eighth grade work shall be offered only for review and remedial purposes.

Seventh or eighth grade students failing math and/or English may be retained and/or required to attend summer school. 1st - 6th grade students failing reading or math may be retained.

2nd-6th grade students failing two (2) or more of the following subjects may be retained: Language, Science, Social Studies.

High school and junior high students whose final average in a course is below 55 cannot attend summer school for remediation. The course must be repeated during the school year.

In Grades 3-12 students with a 93 or above in each academic subject for the term will be placed on the HEADMASTER'S LIST; to receive yearly recognition, a student must have been on the Headmaster's List roll for the first three nine weeks terms.

Procedure for Valedictorian, Salutatorian, Historian, High Honor Graduates, and Honor Graduates - Senior academic honors are determined by the final cumulative average through the end of the senior year.

Valedictorian, Salutatorian, and Historian must be in attendance at Copiah Academy for grades 9, 10, 11, and 12. Courses used to determine class rank and GPA are used to determine Valedictorian, Salutatorian and Historian. Student must have completed a minimum of six (6) weighted courses.

In order to be recognized as an Honor Graduate, a senior must have a 90 overall grade point average for all credited academic courses. Averages will not be rounded.

The procedure for calculating the Grade Point Average (GPA) for the above honors will be as follows (including 8th grade): The cumulative GPA will be based on credited academic courses only. No GPA will be rounded where averages are being calculated for honors, extracurricular activities, elections, admission to academic organizations, etc.

STANDARDIZED TESTS

The OLSAT and the Stanford Achievement Test Series are administered to students in grades 1-6. Other standardized tests include the P/SAT for juniors and ACT for sophomores and juniors.

EXAM EXEMPTIONS

Seniors may be exempt second semester only, for any subject in which they have an average of 90 or above.

MAKE-UP WORK/TESTS

It is the responsibility of students in grades 7-12 who have missed tests or quizzes because of excused absences to make up those tests or quizzes on the first assigned testing time. All tests/quizzes missed for an absence for any reason will be made up during the specified test sessions. All students, both on-line and virtual learners, must bring their own calculator to take a makeup test in math, chemistry, physics, etc. Beginning 2nd nine weeks, students have two testing days to make make up tests missed. Tests not made up during that time will result in a zero. A make up test time will last 45 minutes. Students may come in at any time during the morning test session to take tests/quizzes but will only have the remaining session time to take the test/quiz. Afternoon test takers should be in the testing room by 3:10. Students who are on early dismissal can take their test before leaving campus (during 7th and/or 8th period).

Test Sessions for Traditional Testing:

Monday 7:00-7:45 - Smith

Monday 7th and 8th periods if signed out - Berry/Hartley/Henley/Ramsey/Carr

Monday 3:00-3:45 - Berry/Hartley/Ramsey/Roos

Wednesday: 7:00-7:45 - Tyson

Wednesday 7th and 8th periods if signed out - Berry/Hartley/Henley/Ramsey/Carr

Wednesday: 3:00-3:45 - Berry/Hartley/Ramsey/Roos

Friday: 7:00-7:45: Henley

The following times are reserved for those students who are full-time virtual learning students; no other students can attend these sessions. Students should report to the lab by 6:10 pm for Monday testing and by 8:10 am for Saturday testing.

Test Sessions for Virtual Testing:

Monday 6:00 pm - Berry/Hartley/Henley

Saturday 8:00 am - Berry/Carr/Flowers/Gaddy/Jenkins/Hartley/Henley

Since major tests are assigned in advance, a student who is present on the day of the test will be required to take the test that day even if he had been absent the previous day. Students in a college-preparatory school are accountable for obtaining any work that was missed during an absence. In grades 5-6, students are to check with their teachers the first day back after an absence to set up a date for make-up tests or quizzes.

On the first day a student returns to school after an absence, the student must secure a make-up assignment from each teacher. Failure to turn in written make-up work may result in a zero for the work. All make-up work is the responsibility of the STUDENT. Students in grades 7-12 need to communicate with classmates for missed classwork and homework assignments. Because students who miss tests have extra study time, make up tests may be different from the original tests. Students are responsible for materials missed or covered during vacation and/or personal days taken during the school year.

Students should utilize Canvas for missing work and Virtual Teams Meetings when absent.

REPORT CARDS / TRANSCRIPTS / RECORDS

Report cards, transcripts, and/or records will be not released unless satisfactory arrangements have been made with the office concerning financial obligations.

REQUESTING A TRANSCRIPT

All requests for transcripts must be completed using the link on the school website. The school utilizes Parchment Exchange Services for transcripts. There is no fee for current students; alumni have a \$2.00 fee along with the processing fee charged by Parchment.

ACCOMMODATIONS FOR ACT, SAT, OR PSAT

Parents wishing to request standardized testing accommodations such as extended time for their child on the ACT or College Board tests (PSAT or SAT) must contact the school's counselor. ACT and College Board require specific documentation with a diagnostic reference number to be able to request testing accommodations.

Testing documentation must be current (within three years) and an accommodation plan must have been in place for the past 3 years. Some diagnoses must have been made prior to age 12. Parents will need to submit all the required documentation at least 4-6 weeks before the actual test date to the school's special testing coordinator. All testing accommodations requested will be approved or denied by ACT or College Board.

TEXTBOOKS

Textbooks for students are furnished by Copiah Academy and are issued at the beginning of the school year. Not all classes have physical books; some classes have online textbooks. Parents assume full responsibility for the textbooks. The following fines will be levied for damage to textbooks:

The library should have a quiet atmosphere conducive to study. 11. For special assignments teachers may place selected library materials "on reserve" for overnight check-out only.
12. All library books must be returned to the library at the end of the first semester and at the end of the second semester.

COPIAH VIRTUAL LIBRARY

ATTENDANCE

Regular and punctual attendance on the part of all students is necessary for success in school. Frequent absences affect scholarship, interest in school activities, and eventually attitude toward school. Attendance is recorded on permanent records in the office, where they may be reviewed by college authorities or employers. It is therefore important that pupils be in school and on time every day, and only in unavoidable cases should a pupil be taken out of school before the close of the day. Parents are to report absences to the office. Please call by 8:30 A.M. Homework assignment requests for elementary students ONLY should be called in by 9:00 A.M. to have ready after 2:30 P.M.

Students in grades K-12 will be allowed seven (7) total absences per semester excluding reasonable military duty. Eighth absence - five points deducted from that course for the semester. Each additional absence after the eighth will result in one additional point deduction from that course for the semester.

Additional absences above the limit of seven (7) may be granted only by the Head of School or Principal. Both the student and the student's parents or guardian may be required to appear before the head of school and/or board when the application for additional absences is considered. Tuition is due the 1st of each month beginning July 1st (even if a family has elected to divide tuition on a 10-month basis or less). Payments received after 2:00 pm on the 16th of each month are considered past-due and a late fee of \$25.00 per month will be assessed. A \$20.00 fee is assessed on all returned checks. When a patron is thirty (30) days past due, notice is made to pay the past due amount and the current month's payment or the child(ren) will not be permitted to return to school on the first day of the following month.

Copiah Educational Foundation, Inc. does not discriminate on the basis of race, color, national or ethnic origin in the administration and registration policies.

MEMBERSHIP FEES

Upon entrance on the 8th Grade or higher level of the youngest child enrolled, the membership is either: (1) Full membership of \$1,600.00; (2) Extended membership of \$500.00 down and payment of a balance of \$1,600.00 equally divided by the number of months remaining until May 1st of the graduating year of the youngest child. Also, any child graduating in the year 2021, that youngest child will have to be paid in full before May 1st of that child's graduating year. No diploma will be given to any student until payment of the membership has been paid in full.

The Executive Board of Copiah Educational Foundation having studied the most equitable manner to determine the use of the membership by families and their extended members finds that the following policy will be used to govern use of the membership:

1. A membership purchased by a patron will authorize any natural or adopted child of that patron to attend school under that patron's membership regardless of the marital status or subsequent marital status of the patron.

2. If a membership is purchased jointly or as by a family consisting of a husband and wife who subsequently divorce, all children born of the marriage and subsequent children of either spouse shall be allowed to attend under the membership. For the purpose of the tuition charge as it affects the number of children in a family unit, each family unit of the former spouses will be considered separately for billing purposes. ILLUSTRATION: Bob and Sue have two children while married. Upon divorce Bob has custody of one child and Sue has custody of one child. Both remarry and have one additional child. For membership purposes all four children may attend. For tuition purposes Bob's first child will pay the one child tuition rate and Bob's second child will have the second child discounted tuition. The same will apply to Sue's two children. It is not intended that all four children of both extended families will be assessed tuition at the four children discounted tuition.

This policy will not require tuition to increase for children born prior to divorce in the event of split custody arrangements. This policy will only be used to assess the tuition discount where there are subsequent children after divorce. ILLUSTRATION: In the above illustration Bob has custody of one child and Sue has custody of one child. Neither parent has other children. The two children will be eligible for the two child discounted tuition.

3. Stepchildren or other children the parents have guardianship or custody over are not authorized to attend school under the step-parent's membership unless the step-child is adopted or a new membership is purchased.

Amount owed for registration and fees, along with all required paperwork for activities, has to be paid and turned in for students to be eligible for summer activities.

PAYMENT SCHEDULE

Tuition is due the 1st of each month beginning July 1 (even if a family has elected to divide tuition on a 10-month basis or less). Payments received after 2 p.m. on the 16th of each month are considered past-due. A late fee of \$25 per month will be charged on all accounts that are not current by 2:00 p.m. on the 16th day of the month. Copiah Academy charges a \$20 fee on all returned checks.

The following is a past due policy issued by the Executive Committee on April 13, 1993.

WHEN A PATRON IS THIRTY (30) DAYS PAST DUE, HE WILL RECEIVE A NOTICE TO PAY THE PAST DUE AMOUNT AND THE CURRENT MONTH'S PAYMENT OR THE CHILD(REN) WILL NOT BE PERMITTED TO RETURN TO SCHOOL ON THE FIRST (1ST) DAY OF THE FOLLOWING MONTH.

Therefore, the administration, faculty, and staff will insist on good behavior from all students and personally correct it whenever they witness it. In every discipline case, the student will receive appropriate counseling and encouragement to improve behavior. Discipline will be handled by faculty members with extreme cases being referred to members of the school administration. Written disciplinary reports may be used by the administration to report inappropriate behavior or violation of school regulations to parents.

The following disciplinary procedures are utilized by the school as a deterrent against unacceptable behavior.

a. **Detention** – A detention is earned with the accumulation of 10 demerits. Detention is held under the supervision of a school administrator for one hour. Detention takes priority over any other activity. Missing detention may result in an automatic out-of-school suspension. For each 10 demerits accumulated, a detention is served. Ex: 16 demerits = 1 detention with 6 demerits earned toward the next detention. 3 detentions = 1 “out-of-school” suspension. Each “out-of-school” suspension will result in 2 points off each nine weeks average (administration will deduct).

2 Demerits

- Class Disturbance
- Sleeping in class
- Minor Dress Code Infraction (Belts & Tucked in shirts only)
- Other

3 Demerits

- Public Display of Affection (PDA)
- Doing homework during someone else's classtime
- Hair length/Facial Hair
- Parking/Driving violation
- Tardy to study hall
- Other

4 Demerits

- Chewing gum in buildings/hallways/walkways
- Major dress code violation
- Misbehavior for substitute
- Misbehavior in the cafeteria
- Eating or drinking in class/hallways/walkways
- Other

5 Demerits

- Defacing school property
- Visible Cell Phones
- Cruelty to peer(s)/bullying
- Disrespect and/or rudeness to faculty and staff
- Disrespect during special events/programs (Chapel, special programs, etc.)
- Reckless driving on campus
- Internet misuse
- Profanity
- Visible cell phones (Demerits may be issued more than one time per day.)
- Other

Automatic Detention

- Cutting Class
- Sexual harassment (verbal/physical) (discretion of administration)
- Fighting (discretion of administration)
- Stealing (discretion of administration)
- Weapon (discretion of administration)
- Attempting or aiding a student in any of the above

Automatic Out-of-school Suspension

- Leaving Campus without permission
- No show for detention
- Fighting (discretion of administration)
- Stealing (discretion of administration)
- Weapon (discretion of administration)
- Drugs (may result in expulsion)
- Tobacco/alcohol on campus
- Any student caught in possession, or in the act of using a Vape on campus will be suspended for three days. The student must then take a drug test, at the parent's expense, within 24 hours. Failure to take the drug test in the allotted time constitutes a positive drug test.
- Attempting, or aiding a student, in any of the above

Teachers may assign demerits based on offenses not specifically listed. Administration will make decisions concerning offenses not specifically defined or severe offenses of those that are defined.

b. Probation – A student who has earned their 2nd detention can be placed on probation. When the 3rd detention is earned the student will receive an “out-of-school” suspension.

c. Out-of-school or In-school suspension – This type of suspension is used to deter more serious disciplinary infractions. The administration determines the length of the suspension (usually 1-3 days).

The academic penalty is a two (2) point deduction from the student’s overall 9 weeks average in each class for every day suspended for that 9 weeks period only.

The non-academic penalty is that the student is not eligible for honors or elected positions for 90 consecutive "school days" at Copiah Academy. This does not include days spent in summer school.

The 90 days will carry over from one school year to the next.

After three (3) suspensions, a student may be expelled. The student and parents may be required to go before the board for reinstatement.

d. Expulsion – Expulsion is only used as a disciplinary procedure when all other methods are ineffective and the student continues to be a detriment of the learning process at Copiah Academy. Expulsion will be determined by the Board of Directors of the school and is for the remainder of the school year. Students causing disruptive behavior may be requested to find other educational opportunities.

e. Corporal punishment – It is the policy of Copiah Academy to administer corporal punishment at the discretion and at the direction of the Head of School.

Parent(s)/guardian will be contacted by phone.

Student/parents(s)/guardian will be given the choice of up to three (3) licks or up to five (5) days suspension.

Corporal punishment will only be administered by the Head of School or his/her representative.

When possible, men will administer punishment to boys and women will administer punishment to girls.

A faculty member will witness the punishment.

Corporal punishment will only be administered to students in grades 3 to 12.

ACADEMIC DISHONESTY

Academic Dishonesty/Cheating/Plagiarism (to include copying another student's work as your own) will result in an automatic zero. Demerits will not be assigned. The incident will be recorded in Renweb under Behavior. It is important that students learn early that to "borrow" ideas or "lift" a passage from a source without acknowledgement constitutes plagiarism. Every student at Copiah must be the author of his own written work. When he does use facts or ideas originating from others, he must make clear what is his and what is not. To misrepresent one's work knowingly is to cheat. To misrepresent one's work ignorantly is to show oneself unprepared to assume the responsibility for work on both the secondary and college level. Academic dishonesty includes "borrowing" homework, discussing a test with those who have not yet taken the test, and cheating on a test, quiz, or classwork.

MARRIED AND/OR PREGNANT STUDENTS

A married student, or a student who has been married, an unmarried parent, or an unmarried pregnant female and the male student who is the father of the child will not be considered for enrollment at Copiah Academy. If any student presently enrolled becomes married or pregnant, the married student or the married pregnant female and the male student who is the father of the child will be required to withdraw from school and will not be considered for readmission.

PUBLIC DISPLAYS OF AFFECTION (P.D.A.)

Displays of affection should be reserved for areas other than the school or school grounds. P.D.A.s will result in disciplinary action and parents so notified.

DRESS CODE

Copiah Educational Foundation has partnered with the Tommy Hilfiger and Land's End companies.

Each grade has a required uniform. The detailed information concerning uniforms is posted on the school website.

The following are not permissible:

- No wheelies

PARKING AND STUDENT DRIVERS

Parking is permitted only in designated parking lots. Students are asked to park in assigned areas. Any student driver not parking in their assigned areas or in a teacher's parking space will receive 3 demerits. Upon arrival at school, a student should park his/her vehicle and not reenter the vehicle during the school day without permission from the Head of School. Students who operate their vehicle in an unsafe manner will receive 5 demerits and may be required to forfeit their campus vehicle privileges. Students who refuse to park in the assigned areas may be required to forfeit their campus vehicle privileges. Student drivers are NOT to operate 4-wheelers on campus.

VEHICLES

The Board of Directors of Copiah Educational Foundation, Inc. finds and determines that operating a motor vehicle on the school grounds is a privilege of membership and not a right. In order to provide for the safety and security of the school grounds, its students, faculty, and guests, all motor vehicles driven by students entering school grounds are subject to search for weapons and/or contraband by school officials without notice. Any such search may be instituted by the Head of School or in the absence of the Head of School, the person designated by the Head of School as his/her assistant in charge. This policy is adopted as a condition of the patron's membership in the school and by the adoption of this policy each member of Copiah Educational Foundation, Inc. does hereby consent to the search of vehicles driven by their children or students onto the Copiah Educational Foundation's grounds.

INTERNET / TECHNOLOGY/ SOCIAL MEDIA

COPIAH INTERNET SAFETY POLICY **INTERNET PARENTAL CONSENT AGREEMENT**

Important Notice to Parents

Due to the nature of the Internet, it is neither practical nor possible for the school district to enforce compliance with user rules at all times. Accordingly, parents and students must recognize that students will be required to make independent decisions and use good judgement in their use of the Internet. Therefore, parents must participate in the decision whether to allow their children access to the Internet and must communicate their own expectations to their children regarding its appropriate educational use.

As a parent/guardian of this student, I have read the board-adopted policies on Internet Use By Students, the administrative procedures, and the Internet Network Access Agreement.

- I understand that Internet access is designed for educational purposes and that the school/district will attempt to discourage access to objectionable material and communications that are intended to exploit, harass or abuse students. However, I recognize it is impossible for the school district to restrict access to all objectionable material, and I will not hold the school or school district responsible for materials acquired or contacts made on the Internet.
- I understand that a variety of inappropriate and offensive materials are available over the Internet and that it may be possible for my child to access these materials if he/she chooses to behave irresponsibly. I also understand that it is possible for undesirable or ill-intended individuals to communicate with my child over the Internet, that there is no practical means for the school/district to prevent this from happening, and that my child must take responsibility to avoid such communications if they are initiated. While I authorize the staff to monitor any communications to or from my child on the Internet, I recognize that it is not possible for the school to monitor all such communications. I have determined that the benefits of my child having access to the Internet outweigh potential risks.
- I understand that any conduct by the herein named student that is in conflict with these responsibilities is inappropriate, and such behavior may result in termination of access and possible disciplinary action.
- I understand that filming and/or posting a student and/or a faculty/staff member with a device is prohibited.
- I have reviewed these responsibilities with my child, and I hereby grant permission to the school/district to provide Internet network access.
- I agree to compensate the school/district for any expenses or costs it incurs as a result of my child's violation of Internet policies or administrative procedures.

To address the basic Internet safety policy compliance requirements of CIPA and NCIPA, Copiah will address the following with students:

- The education of minors about appropriate online behavior, including interacting with other individuals on social networking sites and in chat rooms.
- Cyberbullying awareness and response
- Inappropriate usage of Social Media (Statements/Postings/Pictures/Etc.

Cell phones should not be visible from 8-3.

SOCIAL MEDIA POLICY

Copiah Academy recognizes that access to technology in school gives students, parents and teachers greater opportunities to learn, engage, communicate, and develop skills that will prepare them for work, life, and citizenship. We are committed to helping students develop 21st-century technology and communication skills.

To that end, this Acceptable Use Policy outlines the guidelines and behaviors that students, parents and teachers are expected to follow when using school technologies or when using personally-owned devices on or off the school campus.

- Students, parents and teachers are expected to follow the same rules for good behavior and respectful conduct online as offline.
- Misuse of social media can result in disciplinary action.
- Copiah Academy makes a reasonable effort to ensure students' safety and security online, but will not be held accountable for any harm or damages that result from misuse of social media technologies.

We encourage teachers, students, parents, staff, and other school community members to use social networking/media (Twitter, Facebook, etc.) as a way to connect with others, share educational resources, create and curate educational content, and enhance the classroom experience. While social networking is fun and valuable, there are some risks you should keep in mind when using these tools. In the social media world, the lines are blurred between what is public or private, personal or professional.

We've created these social networking/media guidelines for you to follow when representing the school in the virtual world.

Please do the following:

Use good judgment

- We expect you to use good judgment in all situations.
- You must know and follow the school's Code of Conduct and Privacy Policy.
- Regardless of your privacy settings, assume that all of the information you have shared on your social network is public information.

Be respectful

- Always treat others in a respectful, positive and considerate manner.

Be responsible and ethical

- If you are approved to represent the school, unless you are specifically authorized to speak on behalf of the school as a spokesperson, you should state that the views expressed in your postings, etc. are your own. Stick with discussing school-related matters that are within your area of responsibility.
- Be open about your affiliation with the school and the role/position you hold.

Be a good listener

- Keep in mind that one of the biggest benefits of social media is that it gives others another way to talk to you, ask questions directly and to share feedback.
- Be respectful to others when conversing online. Provide answers, thank people for their comments, and ask for further feedback, etc.
- Always be doing at least as much listening and responding as you do “talking.”

Don't share the following:

Confidential information

- Do not publish, post or release information that is considered confidential or not public. If it seems confidential, it probably is. Online “conversations” are never private. Do not use your birth date, address, and cell phone number on any public website.

Private and personal information

- To ensure your safety, be careful about the type and amount of personal information you provide. Avoid talking about personal schedules or situations.
- NEVER give out or transmit personal information of students, parents, or co-workers
- Don't take information you may receive through social networking (such as e-mail addresses, customer names or telephone numbers) and assume it's the most up-to-date or correct.
- Always respect the privacy of the school community members.

Please be cautious with respect to:

Images

- Respect brand, trademark, copyright information and/or images of the school (if applicable).
- You may use photos and video (products, etc.) that are available on the school's website.
- It is generally not acceptable to post pictures of students without the expressed written consent of their parents.
- Do not post pictures of others (co-workers, etc.) without their permission.

Other sites

- A significant part of the interaction on blogs, Twitter, Facebook and other social networks involves passing on interesting content or linking to helpful resources. However, the school is ultimately responsible for any content that is shared. Don't blindly repost a link without looking at the content first.
- Pay attention to the security warnings that pop up on your computer before clicking on unfamiliar links. They actually serve a purpose and protect you and the school.
- When using Twitter, Facebook and other tools, be sure to follow their printed terms and conditions.

And if you don't get it right...

- Be sure to correct any mistake you make immediately, and make it clear what you've done to fix it.
- Apologize for the mistake if the situation warrants it.
- If it's a MAJOR mistake (e.g., exposing private information or reporting confidential information), please let someone know immediately so the school can take the proper steps to help minimize the impact it may have.

Netiquette

- Users should always use the Internet, network resources, and online sites in a courteous and respectful manner.
- Users should also recognize that among the valuable content online, there is unverified, incorrect, or inappropriate content. Users should use trusted sources when conducting research via the Internet.
- Users should also remember not to post anything online that they wouldn't want parents, teachers, or future colleges or employers to see. Once something is online, it's out there—and can sometimes be shared and spread in ways you never intended.

Personal Safety

If you see a message, comment, image, or anything else online that makes you concerned for your personal safety, bring it to the attention of an adult (teacher or staff if you're at school; parent if you're using the device at home) immediately.

- Users should never share personal information, including phone number, address, social security number, birthday, or financial information, over the Internet without adult permission.
- Users should recognize that communicating over the Internet brings anonymity and associated risks, and should carefully safeguard the personal information of themselves and others.

Cyberbullying

Cyberbullying will not be tolerated. Harassing, dissing, flaming, denigrating, impersonating, outing, tricking, excluding, and cyberstalking are all examples of cyberbullying. Don't be mean. Don't send emails or post comments with the intent of scaring, hurting, or intimidating someone else.

Engaging in these behaviors, or any online activities intended to harm (physically or emotionally) another person, will result in severe disciplinary action and loss of privileges. In some cases, cyberbullying can be a crime. Remember that your activities are monitored and retained by others.

Examples of Acceptable Use

I will:

- Follow the same guidelines for respectful, responsible behavior online that I am expected to follow offline.
- Treat social media carefully, and alert staff if there is any problem with their operation.
- Encourage positive, constructive discussion if allowed to use communicative or collaborative technologies.

- Alert a teacher or other staff member if I see threatening/bullying, inappropriate, or harmful content (images, messages, posts) online.
- Be cautious to protect the safety of myself and others.
- This is not intended to be an exhaustive list. Users should use their own good judgment when using social media

Examples of Unacceptable Use

I will not:

- Use social media in a way that could be personally or physically harmful to myself or others.
- Engage in cyberbullying, harassment, or disrespectful conduct toward others—staff or students.
- Try to find ways to circumvent the school’s safety measures and filtering tools.
- Use language online that would be unacceptable in the classroom.

This is not intended to be an exhaustive list. Users should use their own good judgment when using social media.

Limitation of Liability

Copiah Academy will not be responsible for damage or harm to persons, files, data, or hardware.

Violations of this Acceptable Use Policy

Violations of this policy may have disciplinary repercussions, including:

- Suspension of volunteer privileges
- Removal from positions of leadership within Copiah Academy.
- Removal of student from Copiah Academy.
- Additional consequences determined by Administration.

HEALTH AND SAFETY

FIRST AID AND ILLNESS

First-aid supplies are kept in the office for minor injuries. In the event of an accident involving bodily injury during the school day, the student's parents or guardians will be notified immediately. Students who become ill will be sent to the office personnel who will request parents or guardians to pick them up promptly. In the event that parents cannot be reached at times when a student's need may be judged critical, his doctor will be called.

MEDICATION POLICY

Any student who requires prescription or non-prescription medication during school hours must present a completed medication consent form to the school office. A separate form must be completed for each medication to be administered. A new consent form must be completed if the medication dosage is changed.

In addition to copy in handbook medication consent forms will be available in the school office during working hours and on the school website.

****NO MEDICATION WILL BE ADMINISTERED WITHOUT A COMPLETED MEDICATION CONSENT FORM.**

Prescription medication must be in the **original prescription** bottle and be properly labeled by a registered pharmacist as prescribed by law.

Non-prescription (over-the-counter) medication must be in the **original labeled container** with the student's name and any instructions written on it.

Medications will be administered by the school nurse or designated unlicensed school personnel who have successfully completed the Mississippi Board of Nursing Assisted Self Administration Curriculum.

SMOKING, SMOKELESS TOBACCO, E-CIGARETTES, ALCOHOL AND DRUGS ON SCHOOL PROPERTY

It is the policy of Copiah Academy that students shall not smoke, drink, nor have tobacco, vapes, e-cigarettes, alcohol, or illegal drugs in their possession while under the supervision of the school. This includes off-campus events sponsored by the school as well. Students in violation of this policy will be subject to disciplinary action of an automatic three day out of school suspension. If a student is caught with a vape (of any kind), the student is suspended for three days and has to take a drug test, at the parent's expense, within 24 hours. Failure to take the drug test in the allotted time constitutes a positive drug test.

EMERGENCY CLOSING OF SCHOOL

Severe weather conditions will occasionally call for school to be canceled or dismissed early. When bad weather is impending, parents should listen to the radio for announcements concerning school closure. The school telephone system cannot handle a great number of incoming or outgoing calls. The procedure for handling severe weather situations is send a text blast via RenWeb. The Emergency Operations Center in Jackson, which contacts all radio and television stations in that broadcast area, is also notified. This procedure should ensure that all parents are notified of school closure. Copiah will utilize text messaging to notify of closings as well; patrons will need to opt into the program.

Decisions regarding school closings that are made prior to 8 a.m. or on the weekends will be relayed to faculty members via text.

EMERGENCY DRILLS

Emergency drills are practiced regularly. Emergency procedures for leaving each classroom are posted in each room. Students are instructed in the proper safety during drills and emergency situations.

Emergency Drill Signals

Fire - siren tone

Tornado - pulsing tone

Lockdown - a designated tone

SOCIAL SERVICES

Professional educators are required by law to report all possible cases of abuse. As quoted in federal law § 43-21-353. **Reporting abuse or neglect.** Any public or private school employee or any other person having reasonable cause to suspect that a **child** is a **neglected child** or an **abused child**, shall cause an oral **report** to be made immediately by telephone or otherwise and followed as soon thereafter as possible by a **report** in writing to the Department of Human Services.

SEXUAL HARASSMENT POLICY

Copiah Educational Foundation, Inc. resolves that sexual harassment will not be tolerated at Copiah Academy and the following policy concerning sexual harassment is adopted.

IV. Investigation and Discipline

The Head of School will investigate the complaint of sexual harassment and make an initial determination whether or not the complaint is valid.

- a. If the complaint is valid, the Head of School will discipline a **STUDENT** according to the severity of the infraction, under the Discipline System set forth in the Student Handbook.
- b. If the complaint is valid, the Head of School will discipline a **TEACHER, EMPLOYEE, OR STAFF PERSON** according to the severity of the infraction by reprimand for minor cases to suspension or termination for major infractions.

DRUG TESTING POLICY

Copiah Academy does not approve of the use of alcohol, tobacco, drugs (including paraphernalia), controlled substances, vaping devices (i.e. Juuls), vaping compounds, pods/cartridges, inhalants, marijuana, synthetic marijuana, spice, bath salts, CBD oil, Kratom, or intoxicants of any kind by the students or the abuse of prescription drugs.

Re-admittance of any student after suspension under this provision will be conditional upon the consent of the student and parents or legal guardians to allow testing of said student for drugs or alcohol at the school's discretion. The student and parent or legal guardian will sign a Memorandum of Understanding stating the policy, procedure, and consequences moving forward as stated in the policy. Refusal to sign will constitute immediate denial for re-admittance to school.

A student who has in his/her possession alcohol, tobacco, controlled substances, or drugs at school, or sells or transfers or uses alcohol, controlled substances, vaping devices or supplies, inhalants, or drugs, on the school grounds, or at a school-sponsored activity will be subject to suspension and/or expulsion.

Drug dogs may be brought in at various times during the year without being announced to check cars, lockers, book bags, purses, and a student's person.

DRUG TESTING

Copiah Academy has implemented a drug testing program to assist and benefit the students of Copiah Academy. The board of directors, administration, and faculty strongly believe that the use and abuse of drugs (excluding those prescribed by a physician to treat a specific medical condition) can:

1. Be detrimental to the mental and physical well-being of its students, no matter when such usage should occur during the year.
2. Seriously affect the performance of individuals as students;
3. Be dangerous to all students.

PURPOSE OF THE PROGRAM

The purpose of the Copiah Academy Drug Screening Program is as follows:

1. To educate students concerning dangers of drug abuse.
2. To help prevent any drug use and abuse by the students of Copiah Academy.
3. To identify any student who may be using drugs and to identify the drug.
4. To provide reasonable safeguards in order that every student is medically competent to participate in school-related activities.
5. To remove the stigma of drug abuse from those students who are not drug users.
6. To reassure students, parents and the community that the health and academic progress of each of its students is the primary goal of Copiah Academy.
7. To re-emphasize to the student his/her responsibility as a positive role model on or off campus.

PROCEDURE

All students in grades 9-12 and the parents or legal guardians of each student in grades 9-12 consent by enrolling said student in Copiah Educational Foundation, also known as Copiah Academy. This enrollment authorizes the drug screening of each student. The testing procedure shall be:

1. While all students on campus are subject to random drug screens at the discretion of the Head of School, every student in grades 9–12 will be tested for drugs during the school year.
2. The method of testing is in the form of urinalysis and/or oral swabs. Any positive drug results will be confirmed by an additional test at the laboratory selected by Copiah Academy.
3. The collection and coding of specimen samples are executed in a manner insuring total confidentiality and identification.
4. The samples will be collected and analyzed using the methods of the pathologists associated with the chosen testing laboratory.
5. If a student refuses to take a drug test when requested, the test result will be considered positive and may be probable cause for immediate expulsion. No student selected for testing shall be allowed to check out or leave campus once they have been selected. If the student checks out or leaves campus, the test result will be considered a positive.
6. Students selected for testing will be escorted to the testing area by school or testing company personnel and students may not bring any personal items, cell phones, backpacks, clothing, etc. with them to the testing area. Until their test is complete, students will not be allowed to leave the testing area except to give the sample to be tested. Students will have a maximum time of 120 minutes to provide a urine specimen, and upon a failure to do so, the student will submit to an oral swab. The school reserves the right to require a hair follicle test of any student when the situation warrants it.
7. All specimens showing a positive result will immediately and automatically be subject to GS/MS confirmation testing using the remaining available sample by the testing laboratory to assure that no error has occurred. The second test will be a more specific and/or sensitive test. If the first positive result is verified and confirmed, the following steps shall be taken:

FIRST INCIDENT OF POSITIVE TEST RESULTS

1. The Administration is advised of the results.
2. The student and parents or legal guardians are advised.
3. Depending upon the attitude and responsiveness of student and parents/legal guardians, the student is subject to expulsion or will be required to attend a certified drug counseling program at the expense of the student's parents. The drug counselor must have certification and be approved by the Head of School if not chosen from a list of approved counselors provided by the Head of School. If not expelled, the student will be suspended from school for five non-consecutive regular school days.
4. If drug counseling is required by the Head of School rather than expulsion, the drug counselor will determine the manner and length of the program to best suit the student's needs. The student shall provide a copy of the drug counselor's assessment, recommendations, and treatment plan, for the student, if applicable.
5. The student shall follow the recommendations/treatment plan specified by the assigned drug counselor before readmission. If the treatment plan is not successfully completed, the student may be subject to expulsion. If extended treatment is needed, the school will work with the student on maintaining the student's academic progress during the student's extended absence. The student and parent or legal

3. The student will then be permanently expelled from Copiah Academy.
